Re: Suspension of Directives – Third Level

Dear Colleague,

Following the recent ballot, I wish to advise that the following directives are suspended forthwith in order to allow the Union enter discussions with the Department of Education and Skills on issues arising from the Public Services Agreement. The directives in question are the directives which limit:

- involvement in PMDS
- involvement in quality assurance
- involvement in strategic planning
- participation in partnership committees
- availability for rechecks/appeals and
- implementation of flexibility of +/- 3 hours for flexible modes of delivery.

Please ensure that all members are aware of this suspension of directives.

Yours sincerely,

Peter MacMenamin
General Secretary
