Teacher/SNA Terms and Conditions

1. Introduction

- 1.1. The purpose of this circular is to advise employers that post primary teachers who have service as a Youthreach Resource Person or Youthreach Co-ordinator may apply to have all service in those grades considered as teaching service, **solely for the purposes of incremental credit only.**
- 1.2. The incremental credit guidelines for “Previous Approved Teaching Service in the Republic of Ireland” are contained in Circular 0029/2007, and remain applicable unless specifically set out below.

2. General Rules and requirements for Validation of application

- 2.1. An applicant must be an appropriately qualified and registered teacher (this means the teacher has qualifications suitable to the post and is registered with the Teaching Council for the post-primary sector and is in receipt of incremental salary on the Teachers’ Common Basic Scale).
- 2.2. Employment as a Youthreach Resource Person or Youthreach Co-Ordinator under a Pro-Rata Contract (RPT), a Fixed Term Contract or Casual Service will be treated as per [Circular 0029/2007](#) (paras 1 (c), 1 (d) and 1 (e), (i.e. a person appointed as a teacher in a qualified capacity shall receive an increment for each year of satisfactory service in the Youthreach Grade, subject to satisfying the requirement set out at section 2.3 and section 3 below).
- 2.3. 1,110 approved hours (inclusive of teaching and administration) as a Youthreach Resource Person or Youthreach Co-Ordinator shall be required for the award of an increment, as detailed in section 3 below.

3. Requirements for Validation of application

- 3.1. Incremental credit may be allowed for service in Youthreach as a Youthreach Resource Person or a Youthreach Co-ordinator.
- 3.2. Where service as a Youthreach Resource Person or Youthreach Co-ordinator has previously been taken into account for an award of Incremental Credit as recognised 'Relevant Non-Teaching' (RTN) service, credit awarded under this circular should be applied on the basis of one year for every point above the scale minimum already attained for that service.
- 3.3. Credit should be applied on the basis of one increment for every complete 1,110 hours worked since the 20th December 2001, subject to a minimum of 556 hours being worked in any individual academic year.
- 3.4. Any hours in excess of the 1,110 hour threshold shall not be carried over or aggregated with any other hours for the purpose of calculating incremental credit.
- 3.5. Where a teacher has not reached the threshold of 1,110 hours in any individual academic year, but has worked in excess of 556 hours, the hours worked by the teacher may be carried over to the following academic year and combined with the hours worked in the following academic year to reach the 1,110 hours threshold. A minimum of 556 hours must be worked in each academic year. As per 4.4 above, any hours in excess of the 1,110 hour threshold will not be carried over or aggregated with any other hours for the purpose of calculating incremental credit.
- 3.6. In no circumstance can the maximum of the relevant Teacher scale be exceeded when allowing incremental credit for prior service.
- 3.7. An ETB will be expected to provide verification of the hours worked by the applicant which are forming the basis of their application for incremental credit.

- 3.8. In the case of a dispute on the awarding of incremental credit in recognition of prior equivalent or relevant experience, it will be a matter for the employee to raise with the ETB as their employer and/or former employer under the relevant grievance procedures.
- 3.9. In instances where an applicant has previously been granted incremental credit on the basis of relevant non-teaching service, the sponsoring ETB will be expected to provide a statement of the number of incremental credits awarded.
- 3.10. The above thresholds are for incremental credit purposes only and shall not be used as a precedent for the application of such a threshold for any other purpose.

Worked examples are included at Appendix 1.

Appendix 1

Worked Example 1

Between 1st September 2010 and 31st March 2015 “Employee A” worked in a number of ETBs on three fixed-term contracts providing substitution as a Youthreach Resource Person. “Employee A” applied for and was successful in getting a position in a permanent capacity as a teacher with effect from the 1st September 2017.

Incremental credit awarded is 2 years and is calculated as follows:

| Contract Duration | Cover Post | Hours Worked | Incremental Credit |
|--|-------------------|---------------------|--|
| Sept 2010 - May 2011 | Career Break | 1,582 | 1 increment awarded , threshold of 1,110 reached. |
| Jan 2012 – May 2012 - 20 weeks @ 35 hours per week | Sick leave | 700 | None awarded – threshold of 1110 not reached |
| Oct 2014 – March 2015 - 24 weeks @ 37 hours per week | Maternity leave | 888 | 888 hours worked plus 700 hours carried over = 1,588. 1 increment awarded. Threshold of 1110 reached over two years combined and each year there was in excess of 555 hours worked. |

Worked Example 2

Between 1st September 2005 and 31st March 2015 “Employee B” worked in a number of ETBs as a Youthreach Resource Person. “Employee B” applied for and was successful in getting a position in a permanent capacity as a teacher with effect from the 1st September 2017.

As “Employee B” applied for incremental credit after taking up their permanent teaching role in September 2017, their application was processed under the relevant non-teaching category of 29/2007. The outcome was an award of 5 years maximum incremental credit for their service as a Youthreach Resource Person from 1/9/2005 – 31/8/2010. This award will not be reassessed under this circular.

With regard to their service from 1st September 2010 to 31st March 2015 a further 2 years of incremental credit is being awarded under this circular as calculated below:

| Contract Duration | Cover Post | | Incremental Credit |
|--|--|--------------------|---|

| Sept 2010 - May 2011 | Career Break | 1,582 hours worked | 1 increment awarded, threshold of 1,110 reached. |
| Jan 2012 – May 2012 - 20 weeks @ 35 hours per week | Sick leave | 700 hours worked | None awarded – threshold of 1110 not reached |
| Oct 2014 – March 2015 - 24 weeks @ 37 hours per week | Maternity leave | 888 hours worked | 888 hours worked plus 700 hours carried over = 1,588. 1 increment awarded. Threshold of 1110 reached over two years combined and each year there was in excess of 555 hours worked. |
